Dear Colleague:

The Toronto Branch of the Canadian Mineral Processors (CMP) is pleased to once again be arranging the CMP 'Kilborn Cup' East versus West Hockey Game as a part of the social program of the annual CMP meeting in Ottawa.

The 2012 game will be played on Tuesday January 17th, 2012 at 7:00 pm at Carleton University. Bus transportation to/from the Ottawa Westin Hotel will be provided for all players and spectators. The bus for players and spectators will depart the Westin hotel at 5:30 pm.

The hockey game is open to all registered members of the conference. Players (men and women) of all ages and skill levels are encouraged to participate in this great event of networking, recreation, and fun. Full hockey equipment including a helmet is required. Participants will also be required to sign a waiver form. Slap shots and body contact are **not** permitted. The West team consists of players living west of Ontario as well as players from the US. Players from Europe can play for the East. If interested in participating in this game, please contact Mark Griffiths at mark.griffiths@tetrattech.com (647-430-7366).

The CMP Toronto Branch is also soliciting sponsorships for this event. The sponsorship amount for the 2012 CMP Kilborn Cup is \$200.00. All sponsors will have their logo displayed on the game banner, and will receive a game T-shirt. Funds in excess of the game's expenses will go towards scholarships for students entering mining and mineral processing engineering programs. Should you wish to sponsor this event, please contact Mark Griffiths at mark.griffiths@tetrattech.com (647-430-7366). Please note that an electronic copy of all Sponsors' logos is required by December 16th, 2011.
