

Canadian Mineral Processors Ottawa-Montreal-Quebec City Branch

**CMP OMQ Annual Meeting
Thursday, November 5, 2009
Metso Minerals Canada,
795 Georges V,
Lachine, Quebec**

Dear Colleagues,

This is an invitation to attend the Canadian Mineral Processors Ottawa/Montreal/Quebec City Branch Meeting which will be held on **Thursday, November 5th** at the Metso Facility located at 795 Georges V, Lachine, QC. The cost to attend is \$50 per person (students are free). Payment can be made by cash or cheque made payable to “CMPOMQ”.

The event will start at 3:00 PM with a technical program which will consist of three papers, a tour of the Metso Fabrication Facility, and followed by a buffet dinner. Two guest speakers will be featured during the dinner, as mentioned in the attached agenda. This world class facility features a heavy manufacturing space of approximately 25,000 square meters, CNC machine tools and boasts some of the world's largest horizontal and vertical machining centers.

Pre-registration will help us determine the right number of meals for the dinner so please confirm your attendance by October 29 via the following email address: CMPOMQ@gmail.com.

Safety boots and glasses are mandatory for those wishing to participate in the fabrication facility tour. Please bring your own boots and glasses as supplies for guests are limited. Note that no photos are permitted during the facility tour.

As there are a lot of changes in the industry, we may not have the latest contact information. To help us out, could you please forward this invitation to any interested colleagues, or send us their e-mails so that we can transfer them the information concerning the event.

If your company is interested in being a sponsor for this event, please contact Yanick Loiselle at Yanick_Loiselle@quadrachemicals.com or by phone (514) 602-5888.

We hope to see you there. The CMP is the cornerstone of the mining industry and this event is an opportunity to network with other people in the industry, renew contacts. Please feel free to contact me at any time if you have any questions or comments.

Colin Hardie
Chairman – CMP OMQ
