Dear Colleagues,

The Central Ontario Regional Annual Meeting

**will be held on Thursday, November 3, 2011
at the Howard Johnson Plaza, Brady St, Sudbury**

The agenda, technical program and registration information will be available in October.

A block of rooms has been reserved under 'CMP of CIM' at the Howard Johnson and will be held until October 10, 2011. Please book early to avoid disappointment.

Technical presentations for the afternoon session will be accepted from all Mineral Processing areas.

Please submit Technical Presentations by sending a short abstract to:

Technical Program Chair: Andrew Taylor (Andrew.Taylor@vale.com)

A key to the success of this event are the sponsors.

Please continue your generous support.

Thank you for your continued support and we look forward to seeing you November 3rd!
