

Canadian Mineral Processors BC/Yukon Branch

2019/2020 Mineral Processing Scholarship Awards

Description

This year the CMP BC/Yukon Branch is once again offering scholarships to undergraduate students.

Eligibility

To be eligible, you must be an **undergraduate** student in a minerals industry related post-secondary education program in British Columbia or Yukon, with a mineral processing component (e.g. at University of British Columbia, University of Victoria, British Columbia Institute of Technology, Coast Mountain College, Yukon College).

Successful students must demonstrate a genuine interest in pursuing a career in mineral processing following completion of their program. This can be demonstrated by related work experience, either prior to or during student's program, course electives if available, and overall academic achievement, with a particular focus on excellence in mineral processing related courses.

Application Requirements

- Résumé & Cover letter indicating your interest and when you are available for employment.
- Completed application form (*electronic format available online*)
- Letter of recommendation from a mineral processing professor or work experience supervisor
- Scan of official copy of academic transcript, showing at least one year of academic results and / or course content for their current year. (*Original document should be posted, if requested*)

Application Instructions

Application packages must be submitted via this [application form link](#) and be **received by Monday, October 28, 2019**; following link can also be used <https://forms.gle/Q9zUjN8BkJtQ8yAr6>. If you have any questions, kindly contact David Minson (davidm@mintecprocess.com) or Nawoong Yoon (Nawoong.Yoon@teck.com)

Selection and Presentation

Selected candidates will be notified prior the CMP Vancouver Conference on Thursday 5th December 2019.

Internship Programme

Scholarship application documentation can be added to the 2020 Internship register, that will be made available to recruiters early next year. Post Graduate students may submit an application for internship, following the above instructions, but will not be considered for the undergraduate scholarship awards.
