Re: 2020 Ray MacDonald Memorial Hockey Game

Dear Colleague:

The Southern Ontario Branch of the Canadian Mineral Processors (CMP) is pleased to once again be arranging the Ray MacDonald Memorial Hockey Game, where CMP delegates will lace up the blades and play for the Kilborn Cup.

The 2020 game will be played on Tuesday January 21st, 2020 at 6:00 pm at Carleton University. Bus transportation to/from the Ottawa Westin Hotel will be provided for all players and spectators. The bus for players and spectators will depart the Westin hotel at 4:45 pm.

The hockey game is open to all registered members of the conference. Players (men and women) of all ages and skill levels are encouraged to participate in this great event of networking, recreation, and fun. Full hockey equipment including a helmet is required. Participants will also be required to sign a waiver form. Slap shots and body contact are **not** permitted. If interested in participating in this game, please contact Mark Griffiths at mark_griffiths@quadra.ca (289-321-1814).

The CMP Southern Ontario Branch is also soliciting sponsorships for this event. The sponsorship amount for the 2020 Ray MacDonald Memorial Hockey Game is \$300.00. All sponsors will have their logo displayed on the game banner and will receive a game T-shirt. Funds in excess of the game's expenses will go towards scholarships for students entering mining and mineral processing engineering programs. Should you wish to sponsor this event, please contact Mark Griffiths at mark_griffiths@quadra.ca (289-321-1814). Please note that an e-copy of all Sponsors' logos is required by Jan 3rd, 2020. Link for sponsorship payments of \$300.00 is:

<https://www.eventbrite.ca/e/2020-cmp-ray-macdonald-memorial-hockey-game-tickets-84065093959>

Should you wish to sponsor and make the payment in cash or cheque, please contact Mark Griffiths regarding this arrangement.

This event has been a cornerstone of the CMP's social program and we look forward to another successful game in 2020.

Mark Griffiths, Quadra Chemicals Ltd.
