

Canadian Mineral Processors

A technical society of CIM

CMP MB/SK Regional Conference 2021 – Sponsorship

The Canadian Mineral Processors Society (CMP) is a technical society made up of operators, engineers, academics, manufacturers and suppliers who are passionate about improving the mineral processing industry in Manitoba/Saskatchewan, Canada, and internationally. Focusing on operational experience, networking and students in the mineral processing, mining and oil industry, this organization promotes the industry through knowledge sharing and educational opportunities.

We hope that you will be able to support the CMP MB/SK's one-day virtual conference taking place on Thursday November 18, 2021 that promotes learning and networking with presentations on various industry topics. Promote your business at this important forum with one of the sponsor benefit packages as outlined below as well as helping us support local charities and students especially in light of current events:

Tier	Price	Appears on LinkedIn Page	Logo on live events and email distributions	Promotional videos play during breaks
Platinum	\$1500 +	Yes	Largest, most prominent	Longest screen time
Gold	\$1000 - \$1500	Yes	Large	Large screen time
Silver	\$500 - \$1000	No	Medium size	Medium screen time
Bronze	< \$500	No	Smallest Size	Shortest screen time

For any sponsorship enquiries please contact Katherine Ray at katherine.ray@molycop.ca.

Please check back with our Eventbrite page or follow us on LinkedIn for further details on the 2021 CMP MB/SK Regional Conference.
