

Southern Ontario Branch Canadian Mineral Processors
Mineral Processing Scholarship 2021 – Call for Abstracts!

Scholarship awarded by the Canadian Mineral Processor's Southern Ontario Branch

The Southern Ontario Branch of Canadian Mineral Processors is inviting graduate students from universities across Southern Ontario **to submit an abstract to present at this year's AGM on October 14, 2021 in Toronto**. Two students will be selected to present their work and will receive a \$3000 scholarship. In addition, travel and one night's accommodation in Toronto will be provided by CMP SOT for student presenters.

Presenters/scholarship recipients will be selected based on:

- strength of the CV (/2)
- clarity of the abstract (/5)
- originality of the work (/5)
- clear link between research and the mineral processing industry (/5)

Eligibility

- Any full-time student from Ontario in a post-secondary **graduate program** at one of the schools noted below who is conducting research in the area of mineral processing

Eligible Institutions

- Queen's University
- University of Western Ontario
- University of Toronto

Amount Two scholarships in the amount of \$3,000. Travel to Toronto and one-night accommodation.

Application Requirements

- 250 word abstract for a research presentation to be made at the CMP Southern Ontario Branch AGM on October 14, 2021
- CV

Application Deadline

September 8, 2021

Send your application to: **CMP Southern Ontario Branch**
