

BC/Yukon Branch 2021 Conference and AGM

Meeting – November 24 and 25
09:30 to 13:00 PST

Dear Colleague,

The 2021 conference and AGM of the BC/Yukon Branch of the Canadian Mineral Processors is going virtual with an in-person component this year. **Registration is now open.** You can register at the link below <https://www.eventbrite.ca/e/bc-yukon-cmp-2021-conference-agm-tickets-186993772407>.

We are very excited about being able to hold a conference in 2021. This year, we will feature **two keynote presentations** as well as a number of presentations from the industry.

Registration for this year's meeting will be \$60 for regular members and \$25 for students, via the Eventbrite link. If you are unable to register on Eventbrite, please contact Katherine Ray at katherine.ray@molycop.ca or 1-778-257-2703.

We are hosting an in-person viewing event on the morning of November 25 for those that have registered and would like watch the conference with your fellow industry members. Stick around for the in-person reception that will start at 16:00 (register via Eventbrite). We are hosting the day at the Vancouver Club and will be following Covid guidelines as set out by the BC Government. We hope you can join us! **Don't forget to bring a toy(s) for the Toy Drive if you are attending the reception. If you are not able to attend, we are accepting donations on the Eventbrite or directly by clicking on the following link, <https://www.canadahelps.org/en/dn/65462>.**

If you are interested in sponsoring this year's event and the initiatives of the BC/Yukon Branch in general, please contact Chris Burke Chris.Burke@duboischemicals.com. Sponsorship helps subsidize the cost of the event and more importantly this year allows us to provide scholarships and donations to organizations that the CMP supports such as Food Banks, Britannia Mine, and Minerals Ed. Last year we were able to provide two future Mineral Processors with scholarships totaling \$4,000 toward their studies. As always, we would like to give out even more this year and that will depend on your support. Typical sponsorship amounts range from \$300-\$2,500, but any contribution is greatly appreciated. Sponsorship can be by credit card during the registration process or by cheque directly. Sponsors will have their logo displayed at the event, and LinkedIn.

If you need further information about the meeting, reception or sponsoring, please feel free to contact me directly at 778-257-2703 or katherine.ray@molycop.ca. We look forward to virtually seeing you in November as hopefully some of you in-person! It has been quite a time over the last couple of years.

Best Regards,
Katherine Ray
Chair, CMP BC/Yukon Branch
